Program

First, Mike Rusinko led an auction for tasty jams and jellies. Bob McCarthy was the lucky winner! Today Shad Cook held an assembly. He discussed the need to think now about our future as a club. Rotary clubs in the US are not growing. We need to think of ways to bring in fresh members. We also need those members to be younger. To put it bluntly, our club is made up of a large number of older members. Shad suggested that some of the younger members think about running for a seat on the board. Shad is open to ideas if you want to share them with him.
