**Bill:** Raising four great kids.

**T:** How many grandchildren do you have?

**B:** 3 natural and 6 or 7 step grandchildren.

**T:** If you won the lotto today, what would you do with it?

**B:** Give it to charities.

**T:** What should we know about “Dollar Bill”?

**B:** When he was in college, he had a roommate named Richard Deacon. Deacon is an actor best known for his role on the Mary Tyler Moore show.

## Interact Report

### **Minutes for Interact meeting on 4/10/18**

On April 26<sup>th</sup> there is the service above self dinner hosted by the Rotary Club at Club 86. This dinner raises usually about \$20,000 through the tickets and silent auction. All of the money goes towards giving grants to local organizations and funding the Backpack Program. At this fundraiser two high school interactors are given an award which is based off of community service hours and attendance. This year Sydney Mittiga and Jack Harris will be receiving this award.

There will be a Relay for Life meeting this Thursday right after school in the same room as the interact meetings are held. The Relay for Life and Middle Finger 5k will be discussed.

One option for our local project is the Backpack Program and we had a speaker come in to give us more information on the organization. For the past two and a half years, children in elementary and middle school have been sent home with a backpack full of food on Friday for the weekend. Many children receive free breakfast and lunch during the week and come into school on Monday hungry. Those who originally financed the program were unable to continue halfway through the school year and came to the Rotary Club for help. The Rotary Club now gives about \$11,000 a year to fund the program allowing 130 children to go home with a backpack every other weekend. There is no waiting list at the moment so the main goal for the future of this program is to allow students to be able to bring a backpack home every weekend and any money we donate will help reach that goal.

This Saturday is The HWS Day of Service. We meet at the Quad on campus where as a group we will travel to a location to volunteer. The entire event is from 12pm to 4pm with food and drink provided. There will be an upcoming remind which will inform you who to look out for at the Quad and will most likely be an interact officer.

Our next meeting will be Tuesday April 17<sup>th</sup>.
