Rotaract Report

Rotaract hosted a craft table for Bookfest on Saturday, April 9 in the Geneva Community Center. For those not familiar with the event, Geneva Reads hosts a fair with crafts based on children's books. Rotaract had a table based on the book *The Alphabet Tree*. We had the kids make their own alphabet trees with a tree trunk and leaves that spelled their name. We had a lot of fun preparing the craft and helping the kids create their trees.

This is a picture of us at the event with our new shirts that we are so grateful for.

Thank you,
Emily Ott
HWS Rotaract, President

Induction

Bruce Tuxill was presented by his sponsor, Phil Beckley. Bruce is a retired Major General in the United States Air Force. He was born in Geneva and left for Akron, Ohio in 1953, returning to the area after his retirement. Bruce married his wife Keren in 1981 and they have two daughters. Bruce graduated from Salem College and several military schools during his time in the Air Force. He is president of the Tuxill Group, which provides consulting services for federal, state and local officials in the areas of national defense and homeland security. Welcome Bruce!

Program

Our speaker was Tom Murray from the Muranda Cheese Company. Muranda Cheese produces all natural, raw cheese using only milk from registered cows raised on the Muranda Cheese farm. Tom started his Waterloo, NY farm 26 years ago as a dairy, and has grown it into the booming business it is now. Muranda currently makes 15 different raw milk cheeses. Muranda cheese is now served in Del Lago’s restaurants as well as many other local eateries. Because of the process they use to make their cheese, many lactose-intolerant people are able to eat it. After his talk, Tom shared cheese with us, and we were able to take some home!

His talk was followed by some questions and some two-part questions, etc. Chris Lavin made some terrible milk/curd/cow puns while pretending to be totally innocent.

Following the meeting, he wrote the following note to the Secretary:

Mr. Secretary,

I intended to apologize to the club for my outrageous, milk-based puns at this meeting, but then found Mr. Austin’s humor so very cheesy by comparison that I have wheyed my options and since rescinded my desire to apologize!
