Fines/Happy Dollars

- Linda Equinozzi was happy to have been able to bring Disha to their cabin in the Adirondacks this past weekend. Disha was able to fish, try target shooting and enjoy the expanse of nature.
- Stephanie Hesler thanked Mary Lawthers for organizing our last social and thanked everyone for their support of her son, Nathan.
- Norm Lee was happy to have returned from Las Vegas last night.
- Jim Dickson just returned from five days in Reading, PA. He was there to watch drag racing and had a great time, but it was very loud!
- John Watson paid a dollar for not having his badge on and fined anyone who wasn't wearing theirs.
- Jim DeVaney had a happy dollar for he and Phil bringing Harley to the Notre Dame game. They behaved themselves and had a great time.
- Ken Steadman caught another skunk!
- Bob Stenzel had a sad dollar for the young lady who was murdered on the golf course in Iowa.
- Carol Rusinko had a happy dollar for a wonderful tour she had today of the Smith Opera House. The tours will continue on Wednesdays at 10:00am through the end of October. If you haven't been, go! It is amazing.
- Mike Rusinko was happy for a friend that was inaugurated as the president of a college last week, and for visiting the National Comedy Center, which was incredible! (Sorry Mike, I missed what school your friend became President of).
- Bill Buell gave a dollar for not having his badge on and was happy to have been able to contribute \$94 to the birthday fund last week.
- Dave Cook gave some happy dollars with some questions. He wanted to know if Jim Dickson had to wear heels to the drag races? For Mr. McDonald he asked the best way to pronounce Missouri. He then announced he was glad Jim Krajna was back from his half of a honeymoon.
- Because we all needed clarification after Dave's last statement, Jim explained... His dear friend broke up with her husband-to-be and asked if Jim would like to go on her honeymoon with her. He had a great time and has a great tan!

50/50

Carol Chester Rusinko split \$34/\$33 with Polio Plus.

Program

Today we were joined by **Jerry Buckley** of the **Geneva Scholarship Associates**. The Geneva Scholarship Associates is an organization that helps Geneva High School graduates attend Hobart and William Smith Colleges. They will be having a casino night on November 10 and are looking for donors and sponsors for this event. This year, they are looking to raise \$100,000 to be able to add to their endowment to help even more students. If you are interested in attending the event, or would like to be a donor or sponsor, please visit their website [here](#).
