Program

Sarah Meyer, Finger Lakes Institute and very recently, Fribolin Farm, was our speaker today. Sarah was a participant in a group study Rotary exchange to Africa in 2007. She is a Geneva native and since 2004, she led a community outreach program at FLX Institute. She is transitioning to her position at the Fribolin Farm in June. The farm, 34 acres on White Springs Lane, was a gift to HWS from Carl Fribolin. Sarah's focus will be co-curricular programming on the farm. For more information, contact Sarah on Face book at HWSFribolinFarm or smeyer@hws.edu
