Program

Today's speaker: **Walt Gable, Seneca County Historian**. Walt gave a very interesting presentation on the history of **Sampson**. Some highlights include:

- Prior to the American Revolutionary War, the area was known as Kendaia, a name derived from a Seneca Indian chief by that name.
- The Sullivan Expedition destroyed the Indian settlements
- After the American Revolutionary War, white settlement began
- Up to U.S. entry into World War II, it was mostly farmland with summer cottages along the lake
- During World War II, it became Sampson Naval Training Station
- After World War II it was Sampson College, Sampson State School of Willard State Hospital and other uses
- During the Korean War it became Sampson Air Force Base

- Current uses
 - Sampson State Park
 - Sampson Veteran Memorial Cemetery
 - Museum for Sampson Naval Training Station and Air Force Base

Today's interview summary

Tara Rago

Tara was born in Geneva and grew up in Oaks Corners and went to Midlakes schools. Her husband's name is Mike. She has two children ages eight and five years old.

Tara has been with Lyons National Bank for 13 years, seven of them in management, and is currently a Vice President.

Tara got into banking by accident. She got her education in cosmetology and massage therapy and was in that line of work when her husband went to school to be a police officer. She needed regular hours for family reasons, so took a teller's job at LNB and rose through the ranks to Vice President.

Her sponsor in Rotary was Lisa Ventura, who has been a mentor to her in her career, teaching her professionalism and confidence in herself.

When asked if she had further career ambitions at LNB, such as being President or a branch manager, she said she is concentrating more right now on her family.

She likes the family atmosphere at the bank and the fellowship and fun at our meetings.

Ted Baker

Ted was born in the small northern New Hampshire city of Berlin in 1959.

He has been married to Dodie for 28 years. Their daughter, Felicia, is 26 and works in the bakery at the Geneva Wegmans. Their son, Caleb who is 23, works with Ted on High School and HWS sports broadcasts and lives with Ted and Dodie at home.

Ted started at the Finger Lakes Radio Group in January, 2003 and began doing the morning show when fellow Rotarian Mike Rusinko left in 2006.

Ted was asked to join Rotary by his boss, Alan Bishop, to represent the radio station because he no longer had time to attend. He was sponsored by Rob Gladden, who was President of the Geneva Area Chamber of Commerce at the time.

Ted started in broadcasting at his home town station in 1978. He was hired to be a DJ, but the person he replaced was the sports play-by-play announcer for the station, so he was able to begin his sportscasting career at 18.

Ted enjoys the fellowship of our club and the opportunity to serve as much as his schedule will allow.

His hobbies include reading, craft beverages and following Boston and New England sports teams.
