- Bob McFadden was happy for the Red Sox win and also for Bella's delicious food!
- Bill McGowan was pleased to report that last week at 7:00 a.m., 23 guys came to the rescue of a kayaker, whose boat tipped over on Seneca Lake! (*Kinda renews our faith in humanity, right?!*)

- Pete Einset noted that the Clyde Rotary Club had to disband due to lack of membership. He was pleased to tell them that our Geneva Club was active and doing very well.

Program

Jerry Forcier introduced our speaker, **James Warren**, magician and motivational speaker. After entertaining us with a couple of card tricks, James gave a talk on “Resilience” and “responding”, rather than “reacting”. Some areas he covered:

- Discovering the magic formula to transform stress into physical and mental health.
- How to foster good competition and avoid toxic rivalry
- How thinking like a magician can boost your creativity in business and life.
- The Art of Mindfulness: How to walk through storms in business and life with commitment and purpose.

For more information you can contact Jerry at www.WarrenMagic.com or jwmagic@gmail.com

President Stephanie Hesler sent the following regarding the Circle of Fellowship:

The idea behind this is to encourage a smaller circle of fellowship, within our larger club. In the groups, I tried to match some friends, and some with common interests, and some with a chance to get to know others better. These groupings are for the 2021-22 year, and we can decide at the end of the year if we want to continue.

You'll see that I've included everyone - even those we haven't seen in some time. And some who don't live locally. I'll leave it to each of you to decide how to handle that. Let me know if you need help.

I've made some minor changes to the groups (below) since we've talked. If there is a reason we need to make changes, please reach out to me off line and we will work it out.

The mission:

1) to coordinate one or two social outings (or more if you wish) between now and June 30th 2022.

2) to learn something about Rotary/a Rotary club/a tradition/a project within the continent you've been assigned (or task a group member(s) to do) and be prepared to share (verbally) for up to approximately two minutes at our meeting on Wednesday, February 23rd. This is the anniversary of Rotary and is Rotary World Peace and Understanding Day. If each group shares two minutes x 6 groups, we should have a great program and gain a bit of understanding about Rotary around the world. You can do this part or delegate this!

NOTE: This is intended to be fun. You get to make the rules about where to gather your group - how to gather - if you want to include spouses/partners or not - if you want to gather more than once, etc. My only request is that you make the effort to include everyone in your group. If you need any contact info, let

me know. If you notice someone missing from the list(s) let me know! Oh and I'm not in a group on purpose. I'd like to stop by ALL the gatherings if possible!!

Thank you and let me know if you have any questions! I want to be sure the groups are solid and you are set before we share or reach out to membership.

Thanks!
Stephanie
