Program

- RLI is not an authorized Rotary program but is endorsed by Rotary International
- Education is the key to becoming an effective leader. Through RLI participants will know more about Rotary, its history, its evolution, and what Rotary can be.
- Who can attend RLI – any Club member
- Format – facilitated discussion.
- Why attend RLI –education, fellowship, networking, to be more informed about Rotary, and be inspired to take on any leadership role. Overall RLI will help make your club better, stronger and fun.
- How do you attend – Our district is part of the RLI of North East America (21 districts in the northeastern part of the US and Bermuda) and you can attend any session virtually. To register for more information, visit www.rlinea.org.
- Jim Dickson, Dave Cook, and Jerry Forcier all highly recommend RLI.
