Geneva Rotary Student Loan Program

For nearly 100 years, the Geneva Rotary Club's Student Loan Program has assisted hundreds of students to further their education goals.

- The Rotary Student Loan program is the Club's oldest community service program, established in 1923, just 4 years after the club was organized in 1919.
- In the 1980s, the Estate of Judge Nathan Lapman left a substantial gift to the Student Loan fund which allowed the club to expand its program.

- Since 2000, 526 loans have been granted-totaling over \$550,000.
- Currently the Student Loan Program is serving 67 students with a total loan balance of \$186,000.
- The student loans are **interest-free**. College-bound students who **graduate from GenevaHigh School** may apply for a loan. The yearly loan amount is between \$1,000 and \$1,500. Students working toward a Bachelor’s Degreehave the opportunity to receive a maximum of \$6,000.
- **Repayment** of the loan begins 3 months after receiving a degree from a 2 or4- year college. Repayment is \$75.00 per month. If the student decides to pursue an advance degree, repayment of the loan may be deferred until completion of the advanced studies.

Service Above Self Award

- In addition to the Student Loan Program, the club sponsors an annual “Service Above Self” award to two deserving Geneva High School graduates (a boy and a girl). The award is a \$1,000. Scholarship.
