- Linda Sutherland had a sad dollar for her aunt who recently passed away, but on a happier note she reconnected with many cousins she had not seen in awhile.
- Palma Fratto thanked Dave Cook for arranging the Ukranian dinner held at the Sons of Italy. It was a big success – raising \$1500 for Ukraine!
- Dave Cook recently returned from his trip to Morocco and shared some of his experiences. Even though his lost luggage was “temporarily misplaced” he had a memorable trip! (see program below)
- Arun Nagpaul’s brother in Cleveland is recovering from a brain injury and asked that we keep him in our prayers. Arun also thanked us for welcoming him into Rotary.
- Arun also announced that he will be conducting a “Stop Smoking” session on September 10 at the Balanced Beauty Wellness and Medical Center. Log on to [www.balancedbeauty.md](http://www.balancedbeauty.md). to arrange a time to meet with him personally before the session.
- Ruth Leo fined herself for her “typo” in last week’s wrap-up. She misidentified Bob Stenzel as Bob Stivers. Sorry, Bob!!

## **50/50**

Jim Dickson shared \$29/\$30 with the Foundation.

## **Program**

Since we had no speaker today, President Jerry asked Dave Cook to share some of his experiences from his trip to Morocco. Of course, Dave jumped at the opportunity!

- The trip which was originally scheduled two years ago was sponsored by the Rotary Children’s Foundation.
- Morocco is a highly developed country
- There is no politics vs. religion
- There is no child labor
- Since it is a desert, they have installed advanced irrigation systems.
- Another project is installing toilets in schools. Dave pointed out that Rotary founder, Paul Harris, initiated the first public service project, the construction of public toilets in Chicago. This step transformed Rotary into the world's first Service Club.

Dave plans to give a more detailed account of his trip at a future meeting.

**Respectfully submitted,  
Ruth Leo**
