## **Interact Minutes**

This past week's meeting was started by club President Natalie McFadden.

There is an opportunity to help out with the Hildreth Hill pumpkin roll if you are interested. We still need a theme for the trunk or treat so brainstorm some ideas. We do have some money in our checking account for supplies for decorating for the trick-or-treat if we need it. We are also helping set up a teen tech tutor program to teach people how to use technology so if you are interested reach out. Also a reminder to join the Remind, the code is @fordwe and our Instagram handle is genevainteract.

Best,

Mikayla Myer
