- There will not be an SAS dinner this year due to a lack of a committee and time constraints. Other fundraising opportunities will be discussed. A possible garage sale will be held before the end of June.
- Richard Kasulke (per Bill Flood) passed around a sign-up sheet for the Adopt-a-Highway on May 13.
- Richard also reminded us of the Community Lunch Program at the Methodist Church on Thursday. Parking is available behind the church off of William St.
- Dave Cook: Fifteen Rotarians from Morocco will be visiting on Thursday, May 4. Dave has arranged a dinner at the Sons of Italy and would like to have a Rotary meeting that evening. All members are encouraged to attend.
- Mary Lawthers reminded us that weeding will be done at the Welcome Center garden on May 20.
- Mickey Gilbert Schultz "passed the hat" to help the Geneva Library recover from the recent flood loss. Books, carpeting, and wall board were either destroyed or damaged. We will continue to collect money for the next few weeks. (\$150 was collected today!)

This weeks meeting was started by Club President Natalie McFadden.

This weekend the Green Club is having two events. The mission zero event will take place this Saturday from 8:30-3. The Green Club is running a table where people can come and plant seeds in egg cartons. If you are interested you can come at any point for any amount of time between 8:30-3. There will also be another lake clean up at 9am on Sunday. Bring gloves and wear appropriate clothing for picking up trash. We will meet at the visitors center at the lake.

Next week at St. Peter's, they are are looking for help setting up for an event at 9:30.

As a reminder on May 17th there is the bake sale at Dana's Time Out. All you need to do is fill out a form to be able to leave school and also bring a baked good to the lunch for the Rotarians to bid on. Plus you get a free lunch!

Best,

Mikayla Myer
