Program

Today, **Gena Rangel and Geoffrey Riggs** spoke to us about the upcoming production of the light opera, The Elixir of Love. As casting director, Geoffrey expounded on the acoustic properties of the Smith Opera house which has attracted opera singers from near and far to this production. Being a "light" opera, there will be no deaths on stage, fyi. We learned the phrase "Bel Canto" today: a lyrical style of operatic singing using a full, rich, broad tone and smooth phrasing" ... in other words, beautiful music! We saw an image of a handpainted "screen" which will be used in the production. This was painted in Milan, Italy.

Performances are as follows:
 Thursday, July 27th at 7:30PM
 Saturday, July 29th at 3PM
 And Sunday, July 30th at 3PM
 Tickets: \$30 (under age 30) and \$35

Respectfully submitted,

Carol Chester
