Program – Club Assembly

Nico Lutz and Marin Montagne discussed **HWS Rotaract**. From Brockton, Massachusetts, Nico is a sociology major and member of the Hobart basketball team. From Bend Oregon, Marin is a chemistry major and a member of the William Smith volleyball and tennis teams.

The club has four core values or pillars -

- Service
 - Small projects – around campus, regular meetings, helping other clubs
 - Larger projects – Day of Service, fundraising
 - Bridge gap between Geneva and HWS
- Collaboration with the community
 - Community Engagement Office
 - Geneva Rotary
- Connection – members, Geneva Club, students, and faculty
- Fun – make it all fun

The Club is getting re-started after COVID. Next steps include attending and holding meetings, participating in HWS Day of Service and volunteering with the Community Lunch Program.

An invitation was extended by our Club to Rotaract members to attend our weekly meetings.

**Respectfully submitted,
Kerry Lippincott**
