Community Service Corner:

New Service Project Alert: Geneva Rotary Club Is Building Picnic Tables for Camp ONSEYAWA. Geneva Rotary applied for a District Grant to buy materials and build up to 6 new picnic tables for Camp ONSEYAWA this summer. The grant was approved. So now we can start to seek any volunteers (friends and family members) who may be interested in working on this service project. If you are interested please reach out to Bob McFadden (315.719.4348 or BMcFadden@FLFCU.org). The initial thoughts were to measure, pre-cut, and pre-drill holes in Geneva, and then bring everything to camp to assemble. Any carpenter skills appreciated! This is the approximately the style below of what we'll be building for Campers! No dates have been set yet – we just wanted to gather some talented volunteers and try to find a space (garage, barn, or business) that we could gather. Ideally we'd like to build and deliver before Camp Onseyawa runs this summer starting on August 10th.

Saturday August 10th - Camp Onseyawa Camp Set Up. This year Camp Onseyawa runs from August 10 - 24. As in past years Geneva Rotary has been asked to provide 3 volunteers to help with set up. This takes place on Saturday, August 10 from 1:00 - 4:00 pm at Camp Whitman. Chris Fitzgerald is volunteering (thank you) so two more volunteers are needed. If you want to volunteer, please let Linda Equinozzi (linda.equinozzi@gmail.com) know and thank you in advance.

Four way test:

"Of the things we think, say or do:"

- 1. Is it The Truth?**
- 2. Is it Fair to All Concerned?**
- 3. Will it Build Goodwill and Better Friendships?**
- 4. Will it be beneficial for All Concerned?**
