Happy/Sad Dollars:

- Ruthie Leo – Had a great time at the gala and Neil Sjoblom’s photos were wonderful. She also thanked Carol Chester and Kerry Lippincott for taking care of the wrap up for the next three weeks
- Ted Baker – Participated in a fundraising walk in Western Massachusetts over the weekend that raised \$150,000.
- Dave Cook – Based on Mark Gearan’s speech Saturday night, all Rotarians are throwing logs into the fire and some of us keep poking the fire. He also thanked Peter Einset for paying for his lunch.
- John Watson - For a successful event and in honor of Diana Perry. He also paid a fine for his phone ringing (his grandson got into National Honor Society).
- Diana Perry – Is happy for the success of the event. She is thankful for the committee and everyone who made the event possible. She laughed, cried and was inspired by Mark Gearan’s speech; was impressed by Bill Gormont’s magic tricks; and Neil Sjoblom captured all the moments for us.
- Ray Ciancaglini – His friend Parker is having surgery today. (*Ed. Note: Parker is the young son of former Rotarian, Mike Vorozilchak and Meredith Achilles*)
- Santa Abraham – Attended the district assembly. She had a good time and met a lot of people.
- President Jason - Read a message from Ray Ciancaglini thanking the Club for the gala and award. Ray is grateful to be a Geneva Rotarian. President Jason was at a loss for words on how successful the gala was and thanked everyone for their hard work on the event. He also pointed out that Bill Pealer donated his A/V services to the event. He encouraged members to thank Bill when they see him. The St. Peter’s Community Art Academy’s Dinner for the Arts was also a great event. He also started rucking (walking with a weighted backpack)

50/50

Heart of Rotary

Mary Sue Dehn had the lucky number...but did not draw the winning card. The jackpot continues to grow.

Program

The program was Easter trivia. Prizes were given to the team with the highest and lowest scores. Bonus question – What color were the first Easter eggs dyed?

**Respectfully submitted,
Kerry Lippincott**
