Program

Phil Beckley came up with the idea of having a harmonica player one day when he was sitting on his porch smoking a cigar and drinking a Manhattan. He was listening to Pandora and enjoyed a harmonica tune so he shared his idea with Kathy Fuchs who happened to know **David Locke** (for 50+ years). Kathy bought him his first harmonica when he was 20 years old and he played it all the way on their trip to Florida. Meanwhile Kathy and others in the car wanted to boot him out by the time they reached Georgia. David shared his collection and knowledge of different harmonicas he uses depending on the key the band is playing. He was self taught and never took lessons. He played "Sounds of Silence" for our enjoyment. He will be playing at Lockes Glen on the lake on 7/27. All are welcome. 4180 Teall Beach, Geneva. Just past Zugibe Winery. He also shared info on his vacation rentals at lockesglen.com
