### Happy Dollars:

- Garey Adamson: Happy that the Geneva Zoning Board declined the variance for the Lakeview Project 4-0. The news was welcomed with a round of applause!
- Dave Cook thanked Diana for a great job on the picnic, although he is sad that his Studebaker met a guard rail and lost its front end! Thankfully, Dave is OK!
- Gerry Forcier and Charlie Bauder also thanked Diana for a great job on the picnic.
- Diana Perry was happy for the turn out even on a rainy day.
- Ted Baker returned from a vacation in New Hampshire where he enjoyed hiking and kayaking, but reduced his beer drinking from last year! He added that Friday night will begin his 48<sup>th</sup> year of announcing with William Smith girls field hockey.
- Jim Dickson is happy for his team (hmmm....wonder who that could be?)

### 50/50

Barb Geary was the happy winner of \$23.

**Heart of Rotary:** Jim Dickson had the magic ticket...however, he did NOT choose the winning card. The pot keeps growing!!

### Program

**Linda Markell** gave an interesting presentation on the art form, “**Zentangle Method**. She showed us how to create a design using simple lines and shapes. It is very simple and you do not need strong art skills to create a design. Started 20 years ago, it is common in Asia, Germany and other European countries. The process can express gratitude and reduce stress and anxiety. The members enjoyed the interaction!

**Respectfully Submitted,**  
**Ruth Leo**

### Future Programs

- 9/3 – Triciajean M. Jones

### Community Service

- Friday, August 29 at the Rotary Garden at the lakefront . This coincides with a Day of Service for HWS students. Time is 1-4 PM

Four way test:  
“Of the things we think, say or do:”

- 1. Is it The Truth?*
- 2. Is it Fair to All Concerned?*
- 3. Will it Build Goodwill and Better Friendships?*
- 4. Will it be beneficial for All Concerned?*
