### **Program:**

Garey introduced new Geneva Rotarian **Troy Quigley** who explained how his job as a car broker works. In an attempt to reduce and even eliminate the stressful "job" of buying or leasing a car, a broker handles the complete negotiation service for his client, saving time stress and even money. Troy also handles deals for snowmobiles and has a real estate license with experience in handling buying and selling houses. Contact Troy directly at 315-945-4053

*Ed.Note: Since we did not include Troy's bio from his induction last week I am including it now. Troy was born and raised in Geneva and graduated from DHS in 1991. He attended Keuka College from 1991-1995 and received a Bachelor of Science in Business Administration Management. Troy worked at Randall Farnsworth Auto group for about 18 years before changing careers going into the real estate business. He is currently a realtor with Howard Hanna Real Estate in Canandaigua. Troy was married to Amy for almost 30 years before she passed away from cancer in June of 2024. (Our condolences, Troy) They had four children. Troy is a member of Our Lady of Peace Parish and was a major fundraiser at St. Francis/St. Stephen School for 25 years.*

**Respectfully submitted,**
