Program:

Ray Ciancaglini introduced **Stefanie Barnes, candidate for Ontario County Judge**, as tonight's speaker. Stefanie has 25 years to her credit as a practicing attorney with experience in the Monroe County DA's office and in Ontario County as both a Senior Assistant DA and a family and matrimonial law practitioner. She has presided at numerous jury trials, non-jury trials and hearings and successfully earned her reputation as a trusted advisor. She has worked to "defend the rights of children and the vulnerable for decades". She has maintained a private practice in Ontario County for twenty years. She served as law clerk (attorney) to Kitty Karle and considers herself, above all, to be an advocate for kids. Having been a victim of food poisoning at a Burger King years ago and testifying to that effect, started her on the path to protect the rights of others as well as to prosecute the guilty. She is running unopposed on both the Republican and Conservative parties' tickets.

**Respectfully submitted,
Carol Chester**
