- The "Meddagones" Bocce team (Cook and DeVaney) had better results at the Sons and Daughters of Italy when one or the other was absent due to bad cases of the flu.
- Jerry Forcier was happy he did NOT have the flu!
- Susie Flick won the "Owlie" award at the Geneva Public Library. It was a surprise! Congrats! And she has marked one month of smoke free: congrats! Keep up the good work, Susie. We need you!
- Diana Perry enjoyed the Santa Train Cinema event and was glad it went well. However, she came down with the flu the very next day and again another case of it to add insult to injury. Welcome back, Diana.

- Ruth Leo had a \$100 list of happiness to celebrate, including celebrating her recent birthday and congratulating Mike Rusinko on his retirement. She also conveyed her condolences to Ted Baker after the recent passing of his wife, Dodie, but was happy that he was here with us today!
- Jim Dickson traveled to DC for the holidays...unfortunately, illness Santa brought him a case of Covid on Christmas morning.
- Mike Rusinko reminisced about the phone call he received 19 years ago which changed his life: Bob McFadden suggested that Mike apply to Five Star Bank as the new manager. Mike admitted that he felt "clueless" about all the rules and regs of banking but his assistant manager, one Diana Perry, was the person who helped Mike acclimate and learn as quickly as possible. Mike went on to work at Lyons National Bank seven years later, changing focus to commercial lending. He announced his retirement December 31<sup>st</sup>.
- Ted Baker expressed his heartfelt gratitude to members of this club as well to friends and neighbors for reaching out to remember his lovely wife of 38 years, Dodie, who succumbed to a second battle with cancer, on December 27.
- Garey Adamson is happy to be back at Rotary which is a "sign of stability" for him.
- Guest Bill McGuire thanked Diana Perry for inviting him today.
- Guest Eileen Halling will "steal" these good vibes from our club and hopefully, apply for membership soon!
- John Watson offered happy dollars for Mike Rusinko's retirement announcement.

## 50/50

Jerry Forcier shared \$90 with Rotary

### Heart of Rotary

Carol Chester had the lucky ticket number and Neil Sjoblom was ready with his camera...but Carol did not choose the Queen of Hearts so the jackpot climbs!

### Program:

**Rotarian Santa Abraham** presented a friendly "glimpse" into the world of AI and Chat GPT with a quick definition, and a few examples. As I learned while typing these notes, Co-Pilot is the Chat GPT of Microsoft. I got some prompts to "re-write" and did my best!

**Respectfully submitted,**  
**Carol Chester**

"Of the things we think, say or do."

- 3. Will it Build Goodwill and Better Friendships?*
- 4. Will it be beneficial for All Concerned?*
