Announcements:

April 15th meeting is an evening meeting. Please mark your calendars!!! Ethan is on the program!!!

Happy Dollars

- Eileen Halling had happy dollars for Neil Sjoblom and his great pictures from the Gala!
- Jerry Forcier played an April Fool's joke on his girlfriend informing her there was a mouse in their hot tub!! (*Jerry – is she still your girlfriend??*)
- Kathy Fuchs had several happy dollars: for the President of FLCC, she played pickle ball earlier today, the fact that it's almost spring, David Locke will be back next Wednesday to be inducted into the Club, she was sorry to leave early to teach pickle ball!
- Linda Sutherland will be running in the Middle Finger 5K race on May 9th. Her team is "Wildflowers – Running for a Cause". See Linda if you want to sign up.
- Ruth Leo had a happy dollar and is fine after taking a spill in her home a week ago falling flat on her face! Fortunately, no concussion or broken bones - just two black eyes and very sore. She was told people her age should not be falling! (*Help, I've fallen and I can't get up!*)

50/50: Paul Bleakley was the winner of \$21.

Heart of Rotary: Diana Perry had the winning ticket but no Queen of Hearts. The pot is at \$360 and continues to grow.P

Program

President-Elect Ethan Fogg introduced **Dr. Robert Nye, President of Finger Lakes Community College.**

As an FLCC alum, Ethan has known Dr. Nye (Rob) since 2016. Dr. Nye shared his back story which put him through many challenges. He is an Army veteran and graduate of the Army War College where he got his PhD.

- The College's mission: to connect with the Geneva School District and HWS.
- There are three campuses – Canandaigua, Geneva, and the Viticulture Center at Geneva AgriTech.
- The Gemini program provides HS students the ability to take classes at FLCC.
- The College serves Ontario, Seneca, Yates and Wayne Counties and has students from all over the state.
- They have a \$52 million budget and offer 55 certificate programs
- The “re-connect” program provides adults ages 25-55 who are in high-demanding jobs to go back to school.
- MOSAIC program is applied learning for high school students to take early college classes with real-world experience. Ethan encouraged the members to contribute to the FLCC Foundation. These funds can help students with their degree completion.

**Respectfully submitted,
Ruth Leo**
