

May 29, 2024

Greetings,

**People of Action** – It's not just a motto, it's a promise.

For more than 100 years, members of the Geneva Rotary Club have supported our community by volunteering our time and supporting programs that enrich the lives of the entire Geneva population. Some of our recent service projects and grants include:

- **Mingle with Kringle** – A free holiday celebration enjoyed by hundreds of local children and families. Made possible in partnership with the Geneva Public Library.
- **Santa Train** – Kids, parents, relatives and friends ride the train and meet Santa and Mrs. Claus.
- **DARE Program** in Geneva City Schools. Implemented by members of the Geneva Police Department.
- **Adopt-a-Highway Program**
- **Food Link distribution at the Geneva Community Center**
- **Community Lunch Program**
- **Camp ONSEYAWA** – Improvements to camp facilities enjoyed by children with disabilities.
- **Rotary Student Loan Program**
- **Ringing the Salvation Army red kettle bells**

These are a just a few of the ways that Rotary gives back, and it wouldn't be possible without the support of partners like **YOU!**

The Geneva Rotary Club will host a fundraising golf tournament on **Friday September 13, 2024**. I hope that you will join us and help support programs that make Geneva a fun, healthy, and vibrant community.

Is 13 your lucky number? Do you walk under ladders? Do you tempt black cats to cross your path? If so, this is the tournament for you! Please see the enclosed flyer for details. We plan on having a great time, for a great cause.

Sponsorship opportunities are available, and donations of raffle items are greatly appreciated. To become a sponsor, register to golf, or make a prize donation, please see page 2.

I hope you will consider attending and supporting this important event with me!

Gratefully yours,

*Diana Perry*

Diana Perry

Geneva Rotary Club President 2023-2024
